Code section	Scores		Scheme scoring explained
Care about appearance		/9	<ul style="list-style-type: none"> Each section of the Checklist will be scored out of 9 points with 1 additional point available for each approved innovation, up to a maximum of 5. A score of 5 in one of the sections of the Checklist reflects compliance with the Scheme's core requirements while scores of 4 or lower indicate different levels of non-compliance. Higher scores indicate performance beyond compliance with 6 reflecting a 'good' level of performance, 7 'very good', 8 'excellent' and 9 'exceptional'. Approved innovations will need to be further developed and improved to receive an additional point at a subsequent visit. For more information on the Monitor Checklist, scoring descriptors, the Scheme's definition of innovation and report writing standards, visit www.ccscheme.org.uk. For an online library of best practice examples, case studies, e-learning modules and other resources, visit www.ccsbestpractice.org.uk.
