

'Spotlight on...' learning toolkits aim to raise awareness and drive change. The toolkits provide resources including guidance, case studies and best practice examples from across the industry and beyond to help the construction industry to address these issues and raise their standards in these important areas of concern.

Spotlight on... illegal workers

Employing illegal workers is not a victimless crime. It puts everyone's safety at risk. This toolkit aims to increase understanding of the risk posed by illegal construction workers.
